Maxim® Cover & Handle for Encore Operator

AmesburyTruth is pleased to introduce the Maxim cover and handle for the Encore operator. The Maxim cover and handle features the high-performance Encore operator with the sophisticated style of the Maxim handle. Dual handle options are available with your choice of the Contour or Tee style handle. Left and right handed options are also available.

This cover and handle set can be applied to any of our existing Encore operator arm styles for casement and awning windows.

Window Material Applications

- ✔ Casement
- ✔ Awning

Available Finishes

- ✔ Standard Paint
