

Contemporary Cover & Handle

The Contemporary cover and handle for our Encore casement operator features a sleek, straight-line design with fresh modern colors.

This product sets the standard for our Contemporary family of products. Combine this handle and cover with our Maxim, Signature, or Sentry products for a unified Contemporary look throughout the home.

The Contemporary cover and handle has the low-profile appearance and is available in both zinc and plastic.

FEATURES

- Fits on all Encore operators
- Adds a contemporary look to other AT products
- Modern and Sleek Design
- Painted and plated options available
- Metal or plastic cover with a metal handle
