HANDLE SETS

Signature® 40.90

Signature Series handles are beautifully designed for patio doors of all sizes. Customize the look of your door with 13" or 10" long escutcheons that come in four different styles. Locking point can be located above or within the handle. Industry standard mounting hole spacing makes Signature handles an easy upgrade to your current system.

Handle options include:

- Keyed
- Non-keyed
- Dummy

product highlights

- Both OX and XO handles
- Interior escutcheon
- Exterior escutcheon with full-length gasket
- Thumb lever assembly
