MORTISE LOCKS

Two Point Nexus® Two Point

The Nexus Lock System is a two-point and multi-point lockset options for sliding patio doors. Combining both versatility and ease of installation, the Nexus System is suitable for either wood or vinyl door applications. Two-point system is available in either stainless steel or carbon steel, while the Multi-Point System is offered in stainless steel as a standard. Each system has unique individually adjustable locking points to provide additional forgiveness and increased security.
