<ul style="list-style-type: none">• Must wear PPE as required.• The work performed is conducted in a climate-controlled facility with moderate noise levels that are within permissible OSHA limits

Do you think you have what it takes to be a Warehouse Material Handler? Here is what our managers are looking for:

- *Safety Focus:* we wear safety equipment, perform proper forklift inspections and follow forklift operating guidelines and procedures, and communicate safety issues and concerns. We are all responsible for the safety of our teammates.
- *Communication:* this is essential to be successful and you will interact with peers, managers, and team leads about issues, downtime and breaks.
- *Teamwork:* we are dependable and accountable to one another because of our shared goal to attain targets. Offering help to others without being asked is expected at AmesburyTruth.
- *Flexibility:* we look out for one another in the warehouse by being flexible when we must tackle production schedule changes, environmental changes, and sudden work schedule changes.
- *Work Ethic:* we expect you to go "above and beyond" on your assigned job tasks. We closely track performance and efficiency.
- *Tech Savvy:* being comfortable learning new technology will help you thrive in our performance-based culture.
- *Attention to Detail:* you make a conscious effort to pay attention to the task at hand, accurately read product codes and labels and correctly pick & load the correct quantity of products for shipment.
