

## Cam Locks ZX92 Series

### Locks

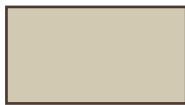

The ZX92 features an innovative spring design, which holds the handle in both the locked and unlocked positions. The handle clearly indicates when the cam has completed its travel.

### AVAILABLE COLORS

White

Almond

### PRODUCT HIGHLIGHTS

- Recommended for: aluminum, composite, vinyl, and wood
- All zinc die-cast sash lock construction for maximum strength
- Spring holds the handle in locked positions providing feedback when the window is locked or unlocked
